A Haner/Hayner Family in America, Third Edition (2001)

This two-volume, 786-page set is published in a handsome red hardcover binding. Volume I features a description of family origins and a detailed listing of the descendants of Johannes Häner. Volume II provides information on supplementary lines, presents data on military service by family members, and includes the index (15,000 names) for this edition.

A Haner/Hayner Family in America: Supplement to the Third Edition (2014)

This 216-page, softcover book is the perfect complement to our published two-volume family history. It contains additions and corrections submitted by family members since the publication of the third edition in 2001. Entries have the same numbering system used in the third edition to help readers match entries to people and to keep generations together. An index is also provided.

	Quantity	Cost	Subtotal
